

Application No. 10/646,341
Reply to Restriction Requirement dated March 25, 2008

REMARKS

In response to the Restriction Requirement dated March 25, 2008, Applicants elect Group II (claims 11-38) for examination at this time, without traverse.

Applicants further hereby cancel claims 1-10 and 39-48 without prejudice to the filing of any divisional, continuation, or continuation-in-part application. In addition, Applicants have added new computer-readable medium claims 49-58 and new computing device claims 59-68, which are also directed to the subject matter of Group II, with the new claims including the claim elements of independent method claim 11 of elected Group II. In particular, claims 49 and 59 are independent computer-readable medium and computing device claims, respectively, that recite the same claim elements as independent method claim 11. Dependent claims 50-58 and 60-68 further correspond to some of the pending dependent claims 12-38 of elected Group II.

Thus, claims 11-38 and 49-68 are currently pending. Consideration of the pending claims is now requested.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
